WORLD'S GREATEST SHAVE LAUNCH

Broncos Leagues Club,
Red Hill

The campaign to turn Brisbanites bald and beautiful began last week with the launch of the World's Greatest Shave. The annual fundraiser for leukemia kicked off with a delicious breakfast attended by more than 100 keen supporters including the gorgeous 2007 Miss Universe Australia Kimberley Busteed. With the official event not until March 13-15, that'll be just enough time to become brave enough to shave.
